WELCOME TO OUR MISS JACKSONVILLE USA *Pageant!*

On behalf of myself and the staff of our pageant we would like to welcome you to our 16th edition of the MISS JACKSONVILLE USA & TEEN USA® PAGEANTS, the official preliminary pageant qualifiers in the Miss USA system. We are proud to be the first step towards the titles of MISS TEEN USA®, MISS USA® and MISS UNIVERSE®. We are also proud to say our company has been involved with The Miss Universe Organization since 1960. None of this would be possible without the support of our wonderful friends, sponsors, contestants and fans. All of whom have made great commitments to make this a special event that our delegates will remember for a lifetime.

The MISS JACKSONVILLE USA & TEEN USA Pageants lead to the MISS FLORIDA USA and MISS FLORIDA TEEN USA competitions that air as specials on the Miss FLORIDA USA & TEEN USA Television Network. The show seen on WJXT- LOCAL 4 on The First Coast and ranks among the most-watched locally produced programming in the country.

Another special thanks goes to our volunteers who give their time, hearts and energy in the efforts of assisting our local delegates. Each of whom are having a "Miss USA" experience as they prepare not only for this weekend but for bigger and better things. In truth this is not just about pageantry...it's about empowerment, self-esteem, self-confidence and so much more. We are in the business of making role model's and assisting tomorrow's leaders today. We are very proud to tell the world to pay attention to these women as they are the future of our state!

THANK YOU FOR YOUR SUPPORT & ENJOY THE SHOW!

MISS FLORIDA USA & MISS FLORIDA TEEN USA® *Our State Championship of Pageantry!*

In The Sunshine State each delegate at the state pageant level has either won or qualified at the local level for the state championships in Hollywood. With titles in all major towns and regions from Pensacola to The Florida Keys our state's Miss Florida USA System has competitions year-round. "The Road to Hollywood" annually see's over 1,000 competitors compete for the one hundred twenty-titles awarded. Then it's a year to remember as our titleholders get involved in their communities and are a part of the state-wide festivities around Florida.

This weekend we are seeking our Jacksonville Representatives that will go to Hollywood this upcoming July and October. Our finalists will have qualified to compete as "at-large" delegates in both divisions. But the qualifying process does not end tonight. We would suggest you support our other outstanding directors and pageants in The Southwest Florida region. For more information simply visit our preliminary pageant page at www.MissFloridaUSA.com as it is updated on a daily basis.
